Picnics and Weddings

A Jewish rabbi and a Catholic priest were good friends. They were at a community picnic one day and the priest was eating a ham sandwich. "You know," he said to his friend, "this ham sandwich is simply delicious. I know you're not supposed to eat ham, but I don't understand why something as good as this would be forbidden to you. Why don't you break down and try one?"

To which the rabbi replied, "Sure, at your wedding."

coffee?

A married couple were arguing who is making the coffee, the wife said that in the Bible it says that men should make the coffee and the husband asked her where it said that. The wife opened the Bible and said: "Right here in HEBREWS!"
