a shepherd;

them many things.
-Mark 6:34**

Seek ye first the kingdom of God
Come to the water
All people that on earth do dwell

A small town had three churches; Presbyterian, Methodist, and Anglican. All three had a problem with squirrels in the church. Each congregation had a meeting to deal with the problem.

The Presbyterians decided it was predestined that squirrels be in the church and that they would just have to live with them.

The Methodists decided they should deal lovingly with the squirrels in the manner of Charles Wesley. They humanely trapped and released them in a park at the edge of town. Within three days, they were all back in church.

The Anglicans had the best solution. They made the squirrels church members. Now they only see them at Christmas and Easter.
