Puzzling Jigsaw

A little, silver-haired lady called her neighbour and said, "Please come over here and help me. I have a very difficult jigsaw puzzle, and I can't figure out how to get started." Her neighbour asks, "What is it supposed to be when it's finished?" The little lady says, "According to the picture on the box, it's a rooster." Her neighbour decides to go over and help her with the puzzle. When he arrives, the old lady shows him the puzzle spread out all over the table. He studies the pieces for a moment, then looks at the box, then turns to her and says: "First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster." Then he takes her hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea, and then..." and he says this with a deep sigh... "Let's put all the Corn Flakes back in the box."

Hour of Power - this week we pray for: Julie Tattershaw, Kathy Tirczka, Mary Tremaine, Frances Trewby-Gunn, Paul Turner-Heaton, Patricia Tytler, Rosemary Van Uden, Lyall Varlow, Stan Waihanui, Gloria Waikare
