I AM ME

*Look at my mind and you will see
 I'm one of a kind, there's only one me
 Don't be afraid 'cause I am different
 I just need you to realise*

*That I am me, I have a reason
 Whatever I may be, I am a person
 I am a child of God like you
 I'll live my life and I'll survive
 With just a little help from you*

*Look in my heart and you will see
 How much a smile can mean to me
 If I'm a burden, I beg your pardon
 I just need someone to understand*

*That I am me, I have a reason
 Whatever I may be, I am a person
 I am a child of God like you
 I'll live my life and I'll survive
 With just a little help from you*

*Look in my soul and you will see
 I have a dream the world will be
 More understanding of people like me
 We have our pride our dignity*

*That I am me, I have a reason
 Whatever I may be, I am a person
 I am a child of God like you
 I'll live my life and I'll survive
 With just a little help from you*
